

PROFILE SUMMARY

I'm a third-year Fintech student at ACLEDA University of Business with three years of experience as a skincare consultant. My background has equipped me with strong communication, problem-solving, and customer service skills. Combined with my abilities in content writing and video production, I create engaging skincare content that educates and connects with audiences. I'm passionate about helping others achieve healthy skin and excited to contribute creative value to your team as a Content Creator.
